# What we offer you

Lacam has a successful track record and prides itself to offer a wide variety of quality, cost efficient industrial and commercial contract cleaning services strictly in adherence to industry specifications and procedures. We do offer services from daily industrial and commercial cleaning to large corporates to smaller businesses requiring less frequent cleaning.

## Office Cleaning

We minimize the impact of our operations on your work environment while keeping your workplace clean.

## Ablution Facilities

Our ablution facilities can cope with high amounts of traffic without compromising on hygiene and cleanliness.

## Kitchen Cleaning

We ensure that your kitchen areas provide a clean and hygienic environment for staff, enabling you to meet stringent food safety standards.

## Industrial Cleaning

We provide a healthy environment for your employees by committing to compliance with the requirements of OSHAS 18001.

# Our Services

# Our Quality Policy

We pride ourselves in following our quality policy in detail, by ensuring that our work is planned and controlled in such a manner that we meet the requirements of our customers, using resources, skilled staff and equipment to ensure customer requirements and satisfaction.
